ABOUT US

SASVAT INTERNATIONAL

Sasvat International is a trusted name in the export of authentic Indian agro-s, rooted in purity, tradition, and global harmony.

Guided by the timeless philosophy – “Vasudhaiva Kutumbakam” (The world is one family) – we believe in building long-term relationships based on trust, quality, and ethical business practices.

From the fertile lands of India to destinations across the world, we deliver nature’s goodness through premium s like Organic Jaggery, Groundnuts, Green Chilli, Semi Husked Coconuts, and Onions.

Our mission is simple – to bring the essence of India’s rich agricultural heritage to global markets, ensuring that every reflects purity, freshness, and sustainability.

At Sasvat International, we don’t just trade commodities – we share values, culture, and a commitment to a healthier world.

To connect farmers and international buyers through transparent trade, quality assurance, and a shared vision of sustainable growth

JAGGERY

Sasvat International proudly presents premium-quality Jaggery, a natural and wholesome sweetener made from pure sugarcane juice. Processed using traditional methods with modern hygiene standards, our jaggery retains vital minerals and nutrients, offering a healthier alternative to refined sugar.

With its rich aroma, deep golden color, and authentic taste, Sasvat Jaggery is cherished worldwide for its purity and nutritional value. We ensure every batch is carefully prepared and tested to meet international food safety and export standards.

Key Features:

- 100% Natural & Chemical-Free: Made from pure sugarcane juice without additives or preservatives.
- Nutrient-Rich: Packed with iron, calcium, and essential minerals for natural energy.
- Traditional Taste: Authentic flavor with a rich, earthy sweetness.
- Multiple Forms Available: Offered in solid blocks, powder, cubes, and liquid variants.
- Premium Quality Control: Hygienically processed and quality-checked for export-grade purity.
- Eco-Friendly Packaging: Ensures freshness and long shelf life.
-

Export Details:

- Origin: India
- Available Packaging: 500g, 1kg, 5kg, and bulk export packs
- Export Markets: Middle East, Europe, Africa, and Asia
-

Choose Sasvat International's Jaggery — where purity, tradition, and health meet to create nature's finest sweetness.

KABULI / CHICKPEAS

Sasvat International offers premium-quality Kabuli and Black Chickpeas, carefully sourced from trusted farms to ensure exceptional purity, size, and taste. These protein-rich pulses are a staple in global cuisines, valued for their nutty flavor, firm texture, and impressive nutritional profile.

Our Kabuli Chickpeas (White Chickpeas) are large, creamy, and perfect for hummus, salads, and soups, while Black Chickpeas (Kala Chana) are rich in fiber and known for their earthy taste and health benefits. We maintain strict quality control to deliver products that meet international food safety and export standards.

Key Features:

- High Protein & Fiber Content: Promotes healthy digestion and supports balanced nutrition.
- Premium Grade Quality: Uniform size, color, and purity with no artificial additives.
- Versatile Use: Ideal for cooking, roasting, and processing into flour or snacks.
- Long Shelf Life: Hygienically processed and packed for maximum freshness.
- Chemical-Free & Non-GMO: 100% natural, farm-fresh produce.
-

Export Details:

- Origin: India
- Available Packaging: 1kg, 5kg, 25kg, and bulk export bags
- Export Markets: Middle East, Africa, Europe, and South-East Asia

Choose Sasvat International's Kabuli & Black Chickpeas — trusted worldwide for quality, purity, and taste that define excellence in every grain.

GROUNDNUT

Sasvat International is a leading exporter of premium-quality Groundnuts (Peanuts), known for their superior taste, freshness, and nutritional value. Our groundnuts are carefully selected from trusted farms and processed under strict quality control to ensure high oil content, uniform size, and rich flavor — making them ideal for both direct consumption and industrial use.

Rich in protein, fiber, and healthy fats, our groundnuts are a nutritious ingredient widely used in snacks, confectionery, and cooking oils. We offer multiple varieties, including bold and Java types, available in raw, blanched, roasted, or shelled forms to meet diverse global requirements.

Key Features:

- High Nutritional Value: Excellent source of protein, minerals, and antioxidants.
- Premium Quality Selection: Handpicked for uniform size, color, and purity.
- Multiple Varieties: Bold, Java, and Redskin groundnuts available.
- Extended Shelf Life: Hygienically processed and vacuum-packed for freshness.
- 100% Natural & Non-GMO: Free from chemicals and artificial preservatives.
-

- Origin: India
- Available Packaging: 1kg, 5kg, 25kg, and bulk export bags
- Export Markets: Middle East, Europe, Africa, and South-East Asia

Choose Sasvat International's Millets — a symbol of purity, nutrition, and sustainability, bringing the wholesome goodness of India's ancient grains to global tables.

RICE

Sasvat International is a trusted exporter of premium-quality Rice, offering a wide range of Basmati and Non-Basmati varieties sourced from the fertile fields of India. Known for its purity, rich aroma, and unmatched texture, our rice is carefully processed using advanced milling and hygienic packaging techniques to ensure global export standards are met.

Our Basmati Rice is famous for its long, slender grains and fragrant aroma, while our Non-Basmati Rice varieties are valued for their soft texture and versatility in cooking. Whether for daily meals or gourmet cuisines, Sasvat Rice delivers exceptional taste and quality that appeal to international markets.

Key Features:

- Premium Grain Quality: Long, uniform, and aromatic grains with excellent cooking results.
- Wide Variety Range: Includes Traditional Basmati, 1121, Sona Masoori, and Parboiled Rice.
- High Nutritional Value: Naturally rich in carbohydrates and essential minerals.
- Advanced Processing: Cleaned, polished, and packed with minimal human handling.
- Hygienic & Export-Grade Packaging: Ensures freshness and long shelf life.

Export Details:

- Origin: India
- Available Packaging: 5kg, 10kg, 25kg, and bulk export bags
- Export Markets: Middle East, Europe, Africa, and Asia

Choose Sasvat International's Rice — where quality, purity, and authenticity define every grain exported from India to the world.

ONION

Sasvat International is one of India's leading exporters of fresh Red, White, and Pink Onions, known globally for their rich flavor, crisp texture, and long shelf life. Sourced directly from trusted farmers, our onions are carefully graded, cleaned, and packed under strict quality supervision to meet international export standards. Our onions are cultivated in the fertile regions of India using natural farming practices, ensuring freshness and purity in every bulb. With consistent size, excellent pungency, and natural color, Sasvat Onions are ideal for culinary use across diverse cuisines worldwide. We specialize in year-round availability and timely export delivery.

Key Features:

- Fresh & Flavorful: Naturally grown with rich aroma and strong taste.
- Multiple Varieties: Red, White, and Pink Onions available in different sizes.
- High Shelf Life: Properly cured and packed to maintain freshness during transit.
- Export-Grade Quality: Handpicked and sorted to meet international standards.
- Customized Packaging: Available in mesh, jute, or poly bags as per client needs.

Export Details:

- Origin: India
- Available Packaging: 5kg, 10kg, 25kg, and 50kg mesh bags
- Export Markets: Middle East, South-East Asia, Europe, and Africa

Choose Sasvat International's Onions — where freshness, quality, and reliability make every export a mark of excellence.

GREEN CHILLI

Sasvat International is a reputed exporter of premium-grade Fresh Green Chillies, known for their vibrant color, strong aroma, and intense natural flavor. Sourced directly from India's finest farms, our chillies are handpicked at the peak of freshness, ensuring unmatched quality and spice levels that meet the diverse culinary demands of global markets.

Rich in vitamins, antioxidants, and essential nutrients, Sasvat Green Chillies add authentic heat and taste to dishes while maintaining their crisp texture. Each batch is carefully cleaned, graded, and packed using hygienic, export-standard procedures to preserve freshness and shelf life during international transit.

Key Features:

- Farm-Fresh Quality: Harvested at optimal maturity for peak flavor and color.
- High Pungency & Aroma: Adds natural heat and spice to global cuisines.
- Rich in Nutrients: Excellent source of Vitamin C, A, and antioxidants.
- Stringent Quality Control: Sorted and packed under strict hygiene standards.
- Customized Packaging: Available in multiple sizes to suit export requirements.
